Per OCSD Code 6.08.040, Whenever a bill reflects high usage compared to the previous comparable seasonal billing period, a leak is evident and fixed, an adjustment may be given. See actual ordinance for complete wording.

"High Usage is defined as water use for a billing period which is in excess of one and one half times the normal seasonal bimonthly use as solely determined by the District.

Consideration of an adjustment pursuant to this policy should be allowed only once in any consecutive 24 month period."
