**OCEANO COMMUNITY SERVICES DISTRICT
NOTICE TO BIDDERS**

Notice is given that sealed bids will be received at the District office District at 1655 Front Street before 3:00 p.m. on ~~Tuesday~~Thursday, July 11-2, 2019 (“Bid Deadline”), for the following public works project:

**2019 GENERATOR REPLACEMENT PROJECT
OCEANO, CA
CONTRACT NO. 2019-01**

Bids will be opened and declared by the Business and Account Manager District at 3:15 p.m. on July 112, 2019 at a public meeting at 1655 Front Street, Oceano, CA, 93445.

Any bid received at the District Office at or after 3:00 p.m. on the date specified above will not be accepted, and will be returned to the bidder unopened.

Bids are required for the entire work described in the Contract Documents. The award of the contract, if it be awarded, will be to the responsible bidder with the lowest responsive bid price on the **GRAND TOTAL BASE BID PLUS ADDITIVE BID ITEMS**. The District does not currently include any additive bid items on the bid sheet but reserves the right to include an additive bid item with an addendum if necessary. If an additive bid item is included with an addendum, then the addendum will state how the lowest responsive bid price will be determined. The District reserves the right to the award of the contract after the lowest responsible bidder has been determined, and the bidder is bound by its bid amount for said additive bid items. Such award, if made, will be made within 90 calendar days after the opening of proposals, and bidder agrees to be bound by its bid, including all of its bid prices, for the entire 90 day period. The District reserves the right to reject all bids and the right to self-perform the work as provided by Public Contract Code Section 22038. The District's Contract No. 2018-01 is not federally funded.

Description of Work

The work is comprised of providing all necessary labor, materials, equipment, and supervision to install a permanent replacement emergency generator serving the Sheriff Substation and the Five Cities Fire Authority fire station in Oceano, California as specified herein and as shown on the Contract Drawings. The work will include grading and construction of a new concrete pad per the structural engineering specifications, installation of the generator, connecting to existing electrical conduit, removing existing conductors and replace with new conductors, removal of the existing manual transfer switches and installing new automatic transfer switches per plan and testing of the newly installed emergency generator system.

The generator unit and the automatic transfer switches have been acquired by the District and will be provided as owner supplied equipment. It is located at the District's utility yard at 1935 Wilmar Avenue, Oceano, Ca and the contractor must transport it from its current location to the location it will be installed. The generator unit provided by the District is (1) 218, 176 hp Cummins Model QSB5-G13 diesel engine, EPA Family Number JCEXLO275AAK, Tier 3, Serial # D190547499 driving a 60kw electrical generator.

The work is located at 1687, 1681 and 1655 Front Street (Highway One), Oceano, California. The contractor must comply with permit conditions established by the County of San Luis Obispo (PMTC2018-00004), the condition established in Authority to Construct (ATC) 6697 issued by the San Luis Obispo County Air Pollution Control District.
