Date: June 12, 2024

To: Board of Directors

From: Robert Schultz, Interim District Counsel

Subject: Agenda Item 9A: APPROVE REQUEST FOR QUALIFICATIONS AND PROPOSAL FOR

DISTRICT GENERAL COUNSEL

Recommendation

Approve Request for Qualifications and Proposal (RFQP) for District General Counsel.

Background

Since 2013, the Law Firm Adamski, Moroski, Madden, Cumberland, Green represented the Oceano Community Services District through various attorneys. On October 13, 2023, AMMCG gave written notice to the District of its resignation. On December 20, 2023, the OCSD board voted to appoint Robert Schultz as interim district legal counsel.

Now that the District has selected a new General Manager, it is appropriate for the District to begin the process of seeking permanent District Counsel.

Discussion

The District's Board of Directors is seeking contract services for legal representation across a defined list of legal practice areas. The attached draft RFQP specifically defines key practice areas and asks proposing individuals or firms to identify the names and hourly rates of those individuals who would be assigned to represent the District.

Staff recommends that firms prepare and deliver proposals to the District in response to the RFQP by August 9, 2024. It is further recommended that the Board review the proposals, conduct interviews, and select District Counsel at the September 26, 2024, Board Meeting.

B. Background

The Oceano Community Services District (OCSD) is a multi-purpose special district and was formed on January 1, 1981. The District is a political subdivision of the State of California and operates under a Board of Directors – General Manager form of government. The District is demographically diverse and classified as disadvantaged based on criteria established for median household income.

District Services

The District provides water, wastewater collection, street lighting, and parks and recreation services to the community, which is predominantly residential and includes a population of approximately 7,600.

The District also provides solid waste and recycling services through a franchise agreement with South County Sanitary Incorporated, a subsidiary of Waste Connections Incorporated, a publicly traded corporation. Other services such as streets and roads, drainage and flood control, land use planning, law

enforcement, fire services and health and human services are provided by the County of San Luis Obispo or other agencies.

The District's affairs are directed and governed by a five-member Board of Directors, elected by registered voters with 5 districts within the jurisdiction. The Board serves four (4) year staggered terms with an election held every two (2) years. Policy direction is set by the Board of Directors, with the day to day affairs administered by the General Manager. The Board appoints the General Manager and District General Counsel.

Regular Board meetings are generally held on the second and fourth Wednesday at 6pm of each calendar month in the Boardroom at the District office 1655 Front St Oceano, CA 93445.

Typically, legal counsel advises on complex resolutions or reports that have specific legal issues. Routine matters and/or reports generally do not require review by legal counsel.

- have experience in public agency law and advising public officials, administrators and employees on laws pertaining to local government administration, organization, regulations, transactions and litigation matters.

B. Scope of Services

The legal services provided to the OCSD include, but are not limited to:

Contacts are often made by email and telephone, and same day response is expected;

SECTION IV - RFP Proposal Evaluation and Selection Process

A. Criteria

The proposals shall be reviewed based on the following criteria. One of the most important criteria are the qualifications of the firm and the costs of services. The goal is to contract with a firm that is qualified and cost effective:

1. Qualifications of Firm and Personnel: - expertise, experience, and capability of the proposer to provide outstanding legal services regarding the Board's goals.

- 2. Identify Existing and Potential Conflicts of Interest: potential and existing conflicts of interest.
- **3. Additional Information:** Location of firm and availability of appropriate professionals as needed for meetings or other circumstances. Other information may be provided as well.
- 4. Local and State Government Client References: reference checks.
- **5.** Budget, Retainer, and/or Rates: Overall cost of the proposal and the levels of service the OCSD can expect to receive from the proposer.

C. Final Selection

Proposals will be reviewed upon receipt and the most qualified firms may be requested to make a presentation to the full OCSD Board of Directors.

The OCSD Board of Directors will conduct a review of applications submitted under this RFP. Proposers may be invited to a meeting of the Board for interviews at the discretion of the Board. The final contract will be signed by the OCSD Board President.

D. Contract Award and Execution

The District reserves the right to enter a contract without further discussion of the submitted proposal. Therefore, the proposal should be initially submitted on the most favorable terms the proposer can offer. The District reserves the right to withdraw the RFP in whole or in part, at any time and for any reason. Submission of a proposal confers no rights upon a proposer and does not obligate the District in any manner. The District reserves the right to award no contract and to solicit additional offers at a later date.

Each proposer, by submitting a proposal, agrees that if the District accepts its proposal, such proposer will furnish all items and services upon the terms and conditions in this RFP and subsequent contract. Proposals that do not meet the mandatory requirements set forth in this RFP will not be considered. Proposers may be disqualified, and the proposal may be rejected by the District for any of, but not limited to, the following reasons:

- Failure to properly respond to the Request for Proposal (RFP).
- Evidence of collusion among the proposers submitting the proposals.
- Failure to comply with the specification requirements of the RFP.

Terms, conditions, prices, methodology, or other features of the proposal may be subject to negotiation and subsequent revision. As part of the negotiations, the proposer may be required to submit additional financial information and other data to allow for a detailed evaluation of the feasibility, reasonableness, and acceptability of the proposal.

The RFP document and the successful proposal, as amended by agreement between OCSD and the successful proposer, including e-mail or written correspondence relative to the RFP, may become part of the contract documents. Additionally, OCSD may verify the successful proposer's representations that appear in the proposal. Failure of the successful proposer to perform as represented may result in elimination of the successful proposer from competition or in contract cancellation or termination.

The requirements listed in this RFP are not negotiable and will remain unchanged unless OCSD determines that a change in such requirements is in the best interest of the District.

OCSD expressly reserves the right, in its sole judgment, to accept or reject any or all proposals, with or without cause, modify, alter, waive any technicalities or provisions, or to accept the proposal which, in its sole judgment, is determined to be the best evaluated offer resulting from negotiation and taking into consideration other evaluation factors set forth in the RFP. The successful proposer will be expected to enter a contract with OCSD. If the successful proposer fails to sign a contract within fifteen (15) business days, unless the District grants an extension, following the delivery of the contract documents, the District may elect to negotiate a contract with the next-highest ranked proposer.

The District shall not be bound, or in any way obligated, until both parties have executed a contract. The selected proposer may not incur any chargeable costs prior to final contract execution. The foregoing should not be interpreted to prohibit either party from proposing additional contract terms and conditions during the negotiation of the final Contract.

The supplies and services are to be provided in compliance with all applicable state and federal standards, rules, and regulations. The District reserves the right to request additional written and/or oral information from proposers at any time before contract award, to obtain clarification of their responses.

Under the Act, the District may be obligated to provide a copy of all responses to this RFP, if such requests are made after the contract is awarded. One exception to this required disclosure is information which fits within the definition of a confidential trade secret under Government Code section 6254(k) or contains other technical, financial, or other data whose public disclosure could cause injury to the proposer's competitive position. If any proposer believes that information contained in its response to this RFP should be protected from disclosure, the proposer MUST specifically identify the pages of the response that contains the information by properly marking the applicable pages and inserting the following notice in the front of its response:

NOTICE: The data on pages of this response identified by an asterisk (*) contain technical or financial information, which are trade secrets, or information for which disclosure would result in substantial injury to the proposer's competitive position. Proposer requests that such data be used only for the evaluation of the response but understands that the disclosure will be limited to the extent OCSD considers proper under the law. If an agreement is entered into with the proposer, OCSD shall have the right to use or disclose the data as provided in the agreement, unless otherwise obligated by law.

14. The District will not honor any attempt by proposer to designate its entire proposal as proprietary. If there is any dispute, lawsuit, claim or demand as to whether information within the response to the RFP is protected from disclosure under the Act, proposer shall indemnify, defend, and hold harmless the District in any action arising out of such dispute, lawsuit, claim, or demand.

- 15. The proposer warrants that no official or employee of the District has an interest, has been employed or retained to solicit or aid in the procuring of any contract resulting from this RFP, if any, and further warrants that such person will not be employed in the performance of the contract without immediate written notice to the District.
- 16. Firms submitting proposals shall warrant that their offer is made without any previous understanding, agreement, or connection with any person, firm or corporation submitting a separate proposal for the same service and is in all respects fair, without outside control, collusion, fraud, or otherwise illegal action. This condition shall not apply to proposals which are submitted by firms who have partnered with others to submit a cooperative proposal that clearly identifies a primary contractor and the associated sub-contractors.
- 17. Proposers shall comply with all laws and regulations governing nondiscrimination in employment, including the Americans with Disabilities Act of 1990, the Fair Employment and Housing Act (California Government Code, § 12900 *et seq.*), and the applicable regulations promulgated thereunder (2 California Code of Regulations, § 7285 *et seq.*).

Nondiscrimination: The proposer, regarding the work performed by them during the Contract, shall not discriminate on the grounds of race, color or national origin or other legally protected criteria in employment or the selection and retention of any potential subcontractors.

18. Unforeseen additional items and/or services may be required. The District therefore reserves the right to negotiate with the successful proposer for additional items and/or services beyond what is described in the final contract.

RE: Letter of Support—Oceano Bicycle and Pedestrian Safety Enhancement Project

Dear Chair Guardino:

On behalf of the Oceano Community Services District, I am pleased to submit this letter of support for the Active Transportation Program Cycle 7 grant application for the Oceano Bicycle and Pedestrian Safety Enhancement Project.

The San Luis Obispo Council of Governments (SLOCOG) and the County of San Luis Obispo Public Works Department have worked in close partnership the Oceano community to develop the scope of this project, which represents a significant investment in multimodal infrastructure at Oceano Elementary School that will improve safety and mobility for all of our students as they travel to school each day.

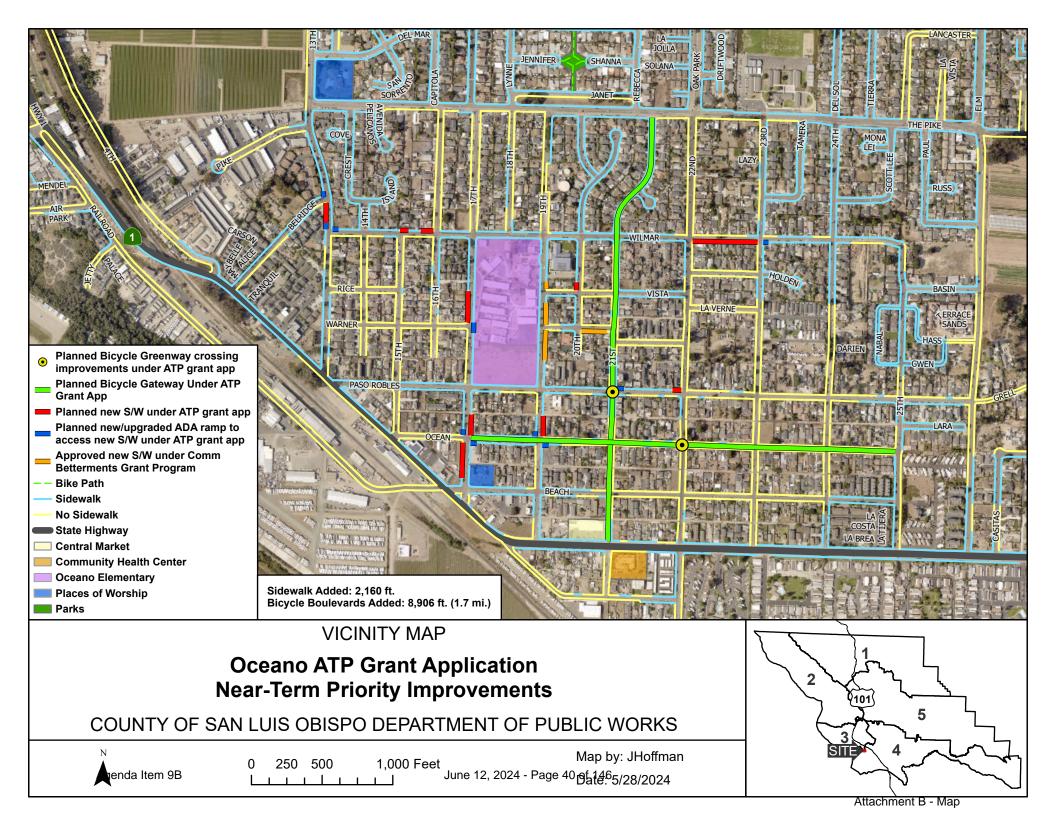

This project will construct a sidewalk network of 20 blocks to create a more complete pedestrian network; including pedestrian bulb improvements that shorten crossing distances and enhance safety at busy intersections around the school; two new cross-community bicycle corridors that provide students and families with safe and convenient options to get to school, the grocery store, and community gathering spaces; stormwater infrastructure to alleviate reoccurring flooding that forces people into the vehicular right-of-way; and education and encouragement programs that will instill safe walking, biking, and driving behaviors in our students and the community at large.

Oceano has long sought these improvements and values our partnership with both county agencies. This project will address safety deficiencies that have contributed to several collisions involving Oceano Elementary School students. If awarded funding, the project has auxiliary benefits and will also create new connections to destinations important to the community, such as the YMCA, retail businesses, and a new community plaza that includes seating areas, shade trees, public art pieces, bike racks, and is set to become a hub of activity for Oceano.

We are greatly appreciative of CTC's consideration of this critical grant application and reiterate our strong support for its approval.

Sincerely,

Charles Varni, President Oceano Community Services District

Subject: Agenda Item #9(C): Review of the District's Budget Status as of March 31, 2024, and approve a

budget adjustment for the Parks California Grant for the Field Trips to State Parks and Beaches

Grant to the Parks and Recreation Fund

Recommendation

It is recommended that the Board review and discuss:

- 1. The District's budget status as of March 31, 2024
- 2. Approve a budget adjustment for the Parks California for the Field Trips to State Parks and Beaches Grant to the Parks and Recreation Fund

Discussion

The attached worksheets have been prepared for your review of the status of this year's budget and were presented to the Oceano Finance and Budget Committee on May 23, 2024. They have been designed to include the following:

- ✓ Current fiscal year adopted budget
- ✓ Current fiscal year actual revenues and expenditures as of March 31, 2024
- ✓ Current percentage of the adopted budget
- ✓ Estimated total on June 30, 2024

When reviewing the worksheets (Attachment A), items of significance can be identified and listed by fund. The column containing the percentage of the 2023-24 budget utilized in the third quarter of the fiscal year assists with illustrating the estimated revenues and costs at the end of the fiscal year.

Expenditures:

Several expenses are front-loaded and paid at the beginning of each fiscal year. The budget worksheets indicate that the District has spent over 75% of the overall budget on these items. The worksheets will also show that the year-end cost estimate is within budget.

Board of Directors Meeting

The front-loaded expenses are as follows:

- 1. Water Supply from Lopez and State Water
- CalPERS Unfunded Accrued Liability (UAL) for the Public Employees' Pension Reform Act (PEPRA) Miscellaneous Plan members
- 3. Permit, Fees & Licenses (SLO County Public Works Annual Encroachment Permit, State Water Control Board Permits and Municode License)
- 4. Local Agency Formation Commission Expense (LAFCO)
- 5. Liability Insurance
- 6. Membership Expense (Cal Rural Water Association)
- 7. Boot Allowance Expense
- 8. Annual Software Maintenance

Other expenses appear to be running high in the General Fund, which may require a budget adjustment in the final quarter under "Services and Supplies." In the Water fund, the higher expenses are expected to level out by the end of the fiscal year, and a budget adjustment is not anticipated. These expenses include the following:

General Fund: Administrative

1. Legal Services—The District's legal costs have run over budget. In item 9A of the agenda package, the District will consider issuing a request for qualifications and proposal for legal services.

Budget:	Expensed @ 3/31:	Estimate - Year End:	(Over)/Under:
\$75,000	\$77,179 (103%)	\$ 119,103	\$ (44,103)

Classes/Seminars/Training—Staff and Board members attended the California Special District
Association (CSDA) Annual Conference, and the District was awarded two scholarships from the CSDA,
which helped cover expenses.

Budget:	Expensed @ 3/31:	Estimate - Year End:	(Over)/Under:
\$6,350	\$10,399 (164%)	\$ 13,865	\$ (7,515)

General Fund: Facilities

3. Sheriff: Maintenance Structures—The auto opener to the Sheriff's building gate was replaced in the third quarter.

Budget:	Expensed @ 3/31:	Estimate - Year End:	(Over)/Under:
\$3,700	\$9,202 (249%)	\$ 10,185	\$ (6,485)

Board of Directors Meeting

Water Fund: Facilities

1. Maintenance Structures—Staff repaired the isolation valves and earthquake retrofit outlet piping prior to the Storage Tank Rehabilitation Project.

Budget:	Expensed @ 3/31:	Estimate - Year End:	(Over)/Under:
\$5,000	\$23,327 (467%)	\$ 23,920	\$ (18,920)

Revenues:

Water sales appear to be higher than expected after five of the six billing periods have been recorded. The revenue comparisons between targeted revenues and actual revenues from 2019 to March 2024 are attached.

Wastewater sales are tracking with the budget after five billing cycles since consumption does not affect wastewater revenues with the District's current rate structure.

The Franchisee Fees in the Garbage Fund are coming in as expected from South County Sanitary Services Inc. (SCSS). The District received the annual landfill savings payment to recognize the capital improvement savings at the landfill by entering into the Franchise Agreement.

Budget Adjustment:

The Oceano Parks and Recreation Committee (OPARC) applied to the Parks CA grant and was awarded \$15,904 for the Field Trips to State Parks and Beach Program. This grant provides funding for field trips to State Parks and Beaches for students at Oceano Elementary School. During the third quarter six trips were scheduled and 253 students visited nearby State Parks.

Other Financial Considerations

The wind-down period of the Joint Powers Agreement (JPA) with the Five Cities Fire Authority (FCFA) was triggered when the June 2022 special tax failed. The District initiated proceedings through LAFCO to divest emergency services and fire protection and turn the responsibility over to the County. The District is currently in the process of negotiating with the County for the District's fire and emergency service for FY 2024-25.

Board of Directors Meeting

Results

Establishing good budget monitoring procedures will help ensure that the District's costs are managed prudently and promote a prosperous and well-governed community.

Subject: Agenda Item 9(D): Workshop on the 2024-25 Budget with Board direction as deemed appropriate.

Recommendationp

It is recommended that your Board:

- 1. Review and discuss the attached 2024-25 District Budget Worksheets and provide staff with direction as you deem appropriate.
- 2. Set June 26, 2024 as the date of a public hearing for your Board to consider adoption of the Fiscal Year 2024-25 Preliminary Budget.

Discussion

The attached budget for the Fiscal Year (FY) 2024-25 has been prepared for discussion purposes and was reviewed by the Oceano Finance and Budget Committee on May 23, 2024. Based on Board feedback, the preliminary budget will be prepared for formal consideration on June 26, 2024.

The line item worksheets for each fund have been designed to include the following:

- ✓ Budget Narrative
- ✓ Actual FY 2017-18 through FY 2022-23
- ✓ Estimated current year 2023-24
- ✓ Current 2023-24 Adopted Budget
- ✓ Proposed 2024-25 Budget

The Local Hazard Mitigation (LHMP) tasks are itemized as an attachment to the budget. This report includes the status of each hazard identified in the LHMP and is required to be provided to the Board each year. Based on General Fund available, the attached budget does not include funds for the LHMP in the General Fund in the upcoming fiscal year.

Other Agency Involvement

Numerous other agencies are involved in the development of the District's budget including the Five Cities Fire Authority and the County of San Luis Obispo. The final budget is sent to the County Auditor's office after the final adoption in August.

Financial Considerations

Oceano Community Services District

Board of Directors Meeting

The proposed preliminary budget for FY 2024-25 includes \$4,810,844 in revenues, \$5,091,505 in expenditures. The attached budget narrative section covers details associated with each fund.

The accounting close-out for the current FY 2023-24 year will be substantially completed before the adoption of the Final FY 2024-25 Budget in August 2024, at which time the detailed update on reserves can be provided for Board consideration.

Results

Holding a workshop to review and consider the District's budget for fiscal year 2024-25 helps to ensure sound financial management for the District and promotes a well governed community.

Summary

The Oceano Community Services District (OCSD) preliminary budget for fiscal year (FY) 2024/25 has been prepared fairly consistent with the current FY 2023/24 budget. The District's final condition is subject to impacts that will need to be addressed in the upcoming years.

Significant Budget Items

The OCSD (FY) 2024/25 Preliminary Budget includes two significant budget issues.

- Since 2010, emergency services and fire protection have been provided by the Five Cities Fire Authority (FCFA) through a Joint Powers Authority (JPA) agreement with the cities of Arroyo Grande and Grover Beach. After three amendments to the JPA and two failed ballot measures to increase funding for services, the District initiated proceedings through the Local Agency Formation Commission (LAFCO) to divest of its emergency and fire protection power and turn the responsibility to the County of San Luis Obispo. Last year, the District entered into a one-year agreement with the FCFA for emergency services and fire protection for \$1,150,000. The 2023 FCFA agreement included a renewal or extension option that the District requested from the FCFA for the upcoming year. The FCFA and the County of San Luis Obispo have negotiated a cost of \$1,706,000 for emergency services and fire protection for Oceano residents. Based on the draft FCFA extension agreement, the FY 2024/25 Preliminary Budget includes monthly payments to the FCFA through December 2024 for a cost of \$142,167 a month. If the divestiture process extends beyond December 2024, the District will need to make a budget adjustment.
- The Wastewater Fund has a structural deficit that will soon need to be addressed through a Prop 218 rate increase process. Reserves are currently being used to fund the budget but are well above the minimum reserve levels needed. A prior Prop 218 rate increase in the Wastewater Fund was completed in 2011. The operating shortfalls need to be addressed in the rate increase and the deferred infrastructure repairs and replacement. The Board authorized staff to prepare a Request for Proposal (RFP) for wastewater system improvements to determine the costs associated with developing a Wastewater Capital Improvement Project Program similar to the program established in the Water Fund. The FY 2024/25 preliminary budget has \$30,000 included in professional fees for the RFP and rate study.

Additional details are provided in subsequent sections on each of the OCSD budget units.

Revenues

In the General Fund, the property taxes allocated to the District by the County of San Luis Obispo will decrease significantly with the upcoming divestiture of emergency services and fire protection. Once the divestiture process is complete with the Local Agency Formation Commission (LAFCO), the County will then receive the majority of the property taxes to fund fire services for Oceano residents. The preliminary budget has been prepared to fund fire and emergency services through December 2024.

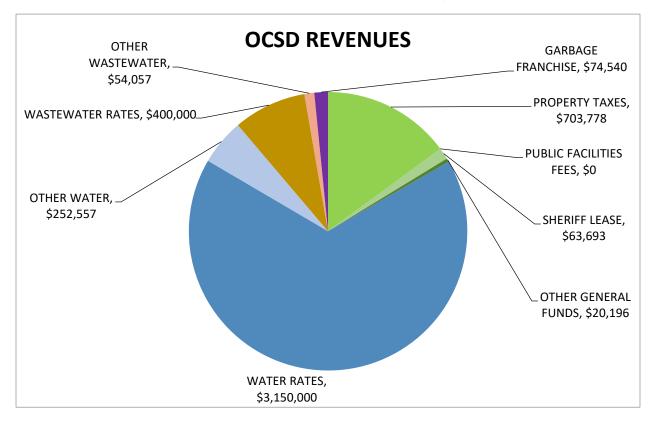

The preliminary budget includes \$52,946 (3.85%) of the total estimated property taxes (\$1,375,225) for street lighting and parks and recreation and only six months' worth of property taxes (\$661,139) for fire services based on the Countywide Revenue Forecast provided by the County Auditor.

The Facilities Fund is estimated to receive \$63,693 in lease payments from the County of SLO for the Sheriff's building located in Oceano, rather than the \$123,822 received in FY 2023/24. Once the divestiture process with LAFCO is complete, the County will lease the Sheriff's building for \$1/year to help offset the County's costs to provide emergency services and fire protection to Oceano residents.

No new Public Facilities Fees are estimated in the preliminary budget since developers pay them for emergency services and fire protection through capital improvement projects. Public Facility Fees will be transferred to the County after the divesture process.

The Enterprise Fund revenues, not including grant funds, are estimated to increase by \$250,999 (7%) from \$3,772,179 estimated in FY 2023/24 to \$4,023,178 in FY 2024/25.

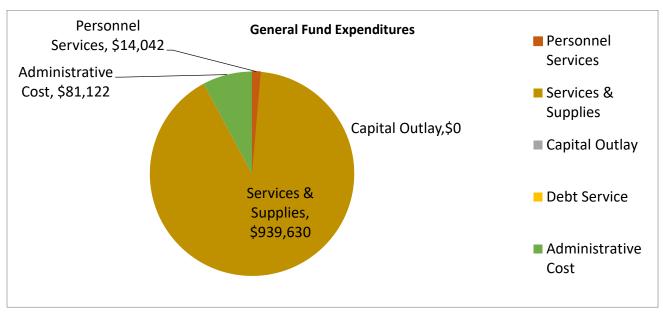

The chart below illustrates the OCSD's estimated revenues for FY 2024/25.

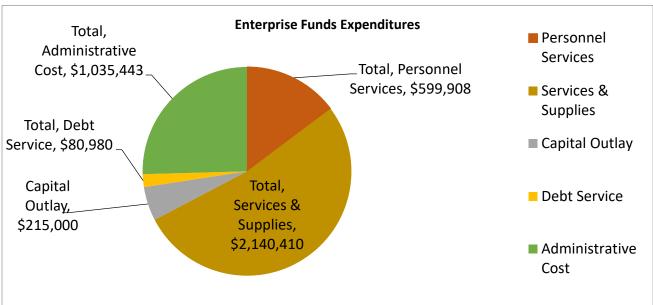

Expenditures

The expenditures in the General Fund, excluding the Fire Fund, are estimated to increase by \$212,797 (17%) from \$1,254,641 estimated in FY 2023/24 to \$1,467,438 budgeted in FY 2024/25. Enterprise Fund expenditures are estimated to increase by \$234,565 (6%) from a total of \$3,837,176 to \$4,071,741 in FY 2024/25.

The following graph illustrates the OCSD costs for FY 2024/25 by category.

GENERAL FUND BUDGETS

The General Fund Budgets consist of the following funds:

- Administrative Fund
- Fire Fund (through December 2024)
- Lighting Fund
- Parks and Recreation Fund
- Facilities Fund

Administrative Fund - See budget schedules on pages 14-18

The Administrative Fund includes the cost of the General Manager and District staff responsible for accounting and finances, human resources, clerk and records retention, agenda preparation, contract management, utility billing, grant management, and other related administrative functions.

The proposed FY 2024/25 budget of \$1,341,645 represents an increase of \$189,841 (16%) from the \$1,151,804 FY 2023/24 budget. New expenditures in the upcoming year include:

- Lease with the County for half the year of \$61,950 for the administration building
- The 2024 election costs of \$11,000 to the County
- The unfunded accrued liability (UAL) to CalPERS since the District refinanced the UAL in 2021 of \$24,000

Other expenditures that have increased are personnel costs by 4% per the Memorandum of Understanding with the Service Employees International Union (SEIU), legal fees by \$10,000 with the onboarding of the new permanent legal counsel, and classes/seminars/training with the upcoming election in November.

The expenditures in the Administration Fund are allocated to the General and Enterprise Funds through the Administration Allocation. Since the District's emergency services and fire protection will transfer to the County in the first half of FY 2024/25, staff has proposed to lower the percentage to the Fire Fund from 3% to 2%. Then, with the onboarding and creation of the Parks and Recreation Committee during FY 2023/24, staff has proposed to increase the allocation to the Parks and Recreation Fund from 0.5% to 1.5%. Below are the Administrative Allocation percentages in FY 2023/24 and the proposed percentages for FY 2024/25:

Emergency Services and Fire Protection – See budget schedules on pages 19-22

The budget for the Fire Fund is based on the extended interim service contract with the Five Cities Fire Authority (FCFA) for \$142,167 a month through December 2024. The District ceased membership in the FCFA effective July 1, 2023. The District initiated proceedings for divestiture of emergency services and fire protection through LAFCO, and those services will be transferred to the County of San Luis Obispo by December 2024. As mentioned in the Administrative Fund, the administration cost percentage has decreased by one percent since the District's emergency services and fire protection will transfer to the County in the first half of FY 2024/25.

Lighting Fund - See budget schedules on pages 23-26

The lighting fund pays for streetlights and is funded through a portion of the District's property tax allocation. The proposed FY 2024/25 budget of \$53,716 is an increase of \$3,849 (8%) from the \$49,867 budgeted in FY 2023/24.

Parks and Recreation Fund - See budget schedules on pages 27-29

The Oceano Parks and Recreation Committee (OPARC) was established in FY 2023/24 with a budget of \$19,500. That same year, OPARC was awarded a California State Parks grant in the amount of \$15,904 for their Field Trips to State Parks Program. The FY 2024/25 preliminary budget has been prepared consistent with last year by using the savings from FY 2023/24 in "Services in Supplies" and rolling it forward to FY 2024/25. As mentioned in the Administrative Fund, the administration cost has been increased by one percent based on the onboarding and creation of OPARC in FY 2023/24.

Facilities Fund - See budget schedules on pages 30-33

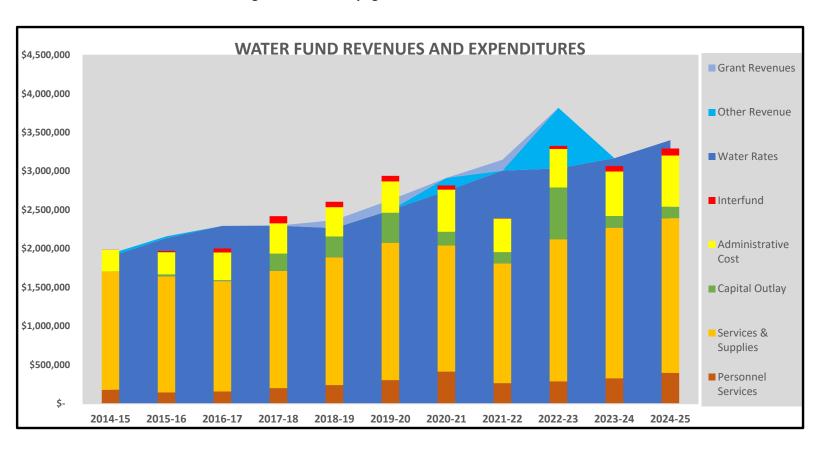

The Facilities Fund includes revenues and expenditures for the administrative offices and the "old firehouse". A portion of the "old firehouse" is rented to Village Group AA for \$12,000 annually. Since the completion of the Sheriff's building the substation had been leased to the County for \$113,940 a year. In 2022 the lease was renewed with CIP increases each year. The Planning and Building Department collected Public Facilities Fees (PFFs) for capital improvement projects and distributed the funds to the District. In the upcoming year, both revenue sources will go to the County of San Luis Obispo.

ENTERPRISE FUND BUDGETS

The OCSD Enterprise Fund budgets consist of the following funds:

- Water Fund
- Wastewater Fund
- Garbage Fund
- Equipment Fund

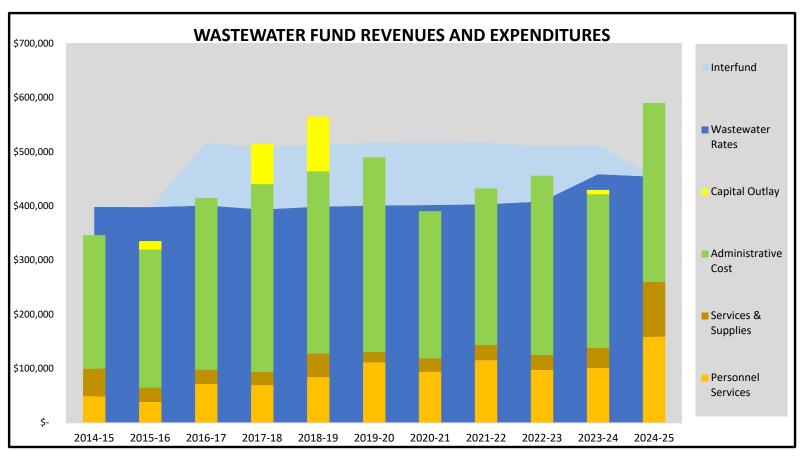

Water Fund - See budget schedules on pages 35-39

The District provides water service to approximately 2,200 connections. The District's water supplies include groundwater, Lopez water, and State water. The water system rate increase was approved in October 2020 by Ordinance 2020-01. The Water Fund operating surplus for the FY 2024/25 budget is \$55,492.

Over the last five years, the District has secured \$3,641,090 in grants from state agencies for water system capital improvement projects. The Water Resource Reliability Program (WRRP), funded by Proposition 1, Proposition 84, the Community Development Block Grant, and the Small Community Drought Grant, has evaluated the long-term infrastructure needs of the District water system including significant deferred maintenance and replacement. The design phase scope of work includes other preconstruction activities including environmental compliance, technical assistance, and community outreach.

Wastewater Fund - See budget schedules on pages 40-44

The Wastewater Fund operating deficit for the FY 2024/25 budget is (\$199,497). The Wastewater Fund continues to incur operating net losses because the revenues do not increase yearly like the Water Fund, and FY 2023/24 was the final year of the inter-fund payment from the Facilities Fund to the Wastewater Fund for the construction of the Sheriff's building. The operating shortfall needs to be addressed in the upcoming years, as well as the deferred infrastructure repairs and replacement. The preliminary budget includes \$30,000 for the upcoming wastewater system improvements RFP and rate study.

Garbage Fund - See budget schedules on pages 45-48

The Garbage Fund is proposed to have an operating deficit for the FY 2024/25 budget of (\$30,209). The Board adopted Resolution 2020-02 to reduce the franchise fee payment from South County Sanitary from 10% to 5%. By reducing the franchise fees to the District, the residents' garbage bills are lower. Recently, the District received a notification from South County Sanitary Services Inc. on their intent to submit a base year rate application with a proposed implementation date of October 1, 2024.

Equipment Fund - See budget schedules on pages 49-52

The Equipment Fund is funded through the Water, Wastewater, and Garbage Funds. The proposed budget includes funds for an electric vehicle for meter reading for an estimated \$65,000. An electric vehicle charging station was installed at the water yard in FY 2023/24 with funds awarded by the San Luis Obispo Air Pollution Control District.

From: Robert Schultz, Interim Legal Counsel

Subject: Agenda Item 10A: Introduction of an Ordinance Adding to the District Code Chapter

3.13 Entitled District Seal and Logo

Recommendation

That the Board review and approve the first reading of an Ordinance, by title only, adding to the District Code Chapter 3.13 entitled District Seal and Logo.

Background

At the April 24, 2024, regular meeting, the Board directed staff to prepare an ordinance to prevent other parties from unauthorized use of the District Seal and Logo.

The District Seal and Logo are property of the District, and the District can control its use. Misuse or unauthorized use of the District Seal or District Logo can cause confusion or misrepresentation that a statement, event, or organization is supported or endorsed by the District. Although a person may be criminally prosecuted for the improper use of the District's official seal if it is used in the context of campaign literature or mass mailings, there are no other statutory prohibitions on the use of the District's official seal or District logo.

Discussion

The Oceano Community Services District Code and other adopted policies do not have detailed regulations governing the use of the District's official seal or District logo. California law makes it a misdemeanor to use District seals with the intention of creating an impression that a document is authorized by a public official (Gov't Code §34501.5). The use of the District seal with the intent to deceive voters into thinking a communication is from the District can be a violation of California election law (Elect. Code § 18304). State law designates the District Clerk/Secretary as the custodian of the District seal (Gov't Code §40811), but the law does not detail such custodial duties and rights. The proposed ordinance confirms the District Secretary's

Oceano Community Services District

Board of Directors Meeting

authority as the custodian of the District seal. Although state laws discussed above provide some limits upon the use of the District's official seal to prevent misrepresentations, there is no regulation on whether the District's official seal or logo may be used, by whom, in what context, or in what capacity. Modern technology makes it easy for anyone to capture the District's official seal, logo, or insignia and use it to mislead or give the impression that a publication, event, or item is authorized or sponsored by the District. Staff is recommending the adoption of the attached ordinance to provide the District with a tool to help ensure that the District Seal and Logo are used only for purposes directly related to the official business of the District or as expressly authorized. The proposed ordinance establishes and authorizes uses for the District Seal and Logo and will empower the General Manager to enforce the District's Code regarding the use of the District Seal and Logo. Lastly, the proposed ordinance will establish a misdemeanor offense and a public nuisance for the improper use of the District's Seal or Logo.

WHEREAS, the Oceano Community Services District has adopted an official seal, which is used in the authentication of official documents and in the conduct of official District business; and

WHEREAS, the Oceano Community Services District has determined that appropriate regulations are necessary in order to ensure that the District seal is not utilized except in conjunction with official District business or as expressly authorized; and

WHEREAS, the Oceano Community Services District has determined that it is appropriate to provide equal protection for the District logo, which is the same image as the District Seal; and

NOW, THEREFORE, the Board of Directors for the Oceano Community Services District **DOES HEREBY ORDAIN** as follows:

SECTION 1.

Chapter 3.13 of the Oceano Community Services District Code is hereby added to read in its entirety as follows:

SECTION 3.13 DISTRICT SEAL AND DISTRICT LOGO

Section 3.13.010 Use of District seal and District logo.

A. The District Seal and the District Logo are the property of the District. Both share the same image but are used for different purposes. The Seal certifies the district's official records and instruments. The Logo is a graphic symbol used to identify District programs, initiatives, partnerships, and sponsorships.

- B. The District Secretary shall be the official custodian of the District's Seal. The District Manager or his/her designee is the official custodian of the District's Logo.
- C. The District Secretary or his/her designee is authorized to use the District Seal on any ordinance, resolution, proclamation, commendation, certificate, or other instrument approved by the Board of Directors or executed by the President or other District officers or officials; and to authenticate official documents in the conduct of official District business.

- D. The General Manager or his/her designee is authorized to determine the appropriate use of and to ensure that the District's Logo is used only on documents, property, and programs that reflect official District business and ownership. In deciding the manner by which the District Logo may be utilized, the General Manager shall endeavor to protect the District's brand, reputation, and credibility by preventing the use of the Logo in such a manner as to suggest the District's endorsement of third-party events and other agencies programs.
- E. It shall be unlawful for any person to make or use the District Seal, the District Logo, or any cut, facsimile, or reproduction thereof, or make or use any design, symbol, emblem, insignia, or similar device that is an imitation of said the District Seal or the District Logo, or that may be mistaken therefore, without the express written authorization of General Manager or his/her designees under the authority granted by the Board of Directors.
- F. No person, including any elected officer of the District, may use the District Seal and District Logo in any correspondence or other printed materials distributed in favor of or against any ballot measure or in favor of or against any candidate for public office.
- G. The word "person" used in this division shall include a person, firm, association or corporation, and whether acting as principal agent, employee or otherwise.
- H. Any person violating this chapter is guilty of a misdemeanor. Unauthorized use of the District Seal or District Logo is declared a public nuisance, and the District can abate or enjoin such use. Upon issuance of a notice of violation, any person engaged in an unauthorized use shall cease use and destroy any documents, files, or images containing the unauthorized use within forty-eight (48) hours. Failure to comply with the District's demand shall result in prosecution by District Counsel in the name of the people of the State of California or redressed by civil action. The District's remedies under this section are not exhaustive, and the District may seek any relief available by law.

SECTION 2.

If any portion of this Ordinance, or the application of any such provision to any person or circumstances, shall be held invalid, the remainder of this Ordinance to the extent it can be given effect, or the application of such provision to persons or circumstances other than those as to which it is held invalid, shall not be affected thereby, and to this extent the provisions of this Ordinance are severable.

SECTION 3

This Ordinance will take effect and be in force thirty (30) days from the date of its passage, and before the expiration of fifteen (15) days after its passage, it shall be published once, with the names of the members of the Board of Directors voting for and against the same in
