Hello,

At the close of the nomination period for the November 6, 2018, General Election, it was determined that the number of candidates for a director for your District did not exceed the number of offices to be filled. Therefore an election will not be held for the office that is listed in the table below.

Pursuant to Elections Code Section 10515 (a)(3), if the number of persons who have filed a Declaration of Candidacy for director at large does not exceed the number of offices to be filled at that election, the Board of Supervisors shall appoint to the office the person(s) who has filed a Declarations of Candidacy to that office. This appointment will be made at a regular meeting of the Board of Supervisors on Tuesday, November 6, 2018.

Please feel free to contact me if you have questions concerning this matter.

Respectfully,

Elaina Cano

PUBLIC NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

California Department of Parks and Recreation Off-Highway Motor Vehicle Recreation Division Music Festival Special Events at Oceano Dunes

Lead Agency: California Department of Parks and Recreation (CDPR), Off-Highway Motor Vehicle Recreation (OHMVR) Division

Project Description: The OHMVR Division is evaluating the potential environmental effects of issuing special event permits for music festivals to be held between the months of October through February within the Oceano Dunes District. The events would take place within Pismo State Beach and Oceano Dunes State Vehicular Recreation Area (SVRA; collectively called Oceano Dunes). Each music festival would take place within the designated music festival event area, which comprises approximately 15 acres and is located between Marker Posts 3.5 and 4.5. This year, approximately 12 acres would comprise the fenced music festival, including the camping area, and an additional 3 acres would comprise the beach parking area. Other events may have a slightly different apportionment of space with in the event area, but it is assumed the majority of the festival event area would be designated for the event itself with some acreage reserved for parking, camping, or similar uses. The Oceano Dunes District does not expect to issue permits for more than two such events each year.

Music festivals would last for up to one week, from setup to complete site clearance. The music event itself, i.e., including ticket holder arrival, music and other activities, and ticket holder departure, would last for up to four days and three nights. Music festivals may run all night. This year, the event is planned for 10:00AM Thursday, October 11, 2018 to 6PM Sunday, October 14, 2018. Dates and times of future festivals would vary but would not exceed seven days, as noted above.

Project Location: Pismo State Beach and Oceano Dunes SVRA, near Oceano, CA

Review Period: The public comment period begins on September 5, 2018, and ends on October 5, 2018, at 5 p.m. No public meeting will be held.

Document Availability: The Initial Study/Mitigated Negative Declaration (IS/MND) is available at the following location during normal working hours:

Subject: Agenda Item #8B: Recommendation to Approve Cash Disbursements

Recommendation

It is recommended that your Board approve the attached cash disbursements.

Discussion

The following is a summary of the attached cash disbursements:

Description	Check Sequence	Amounts
	57226 - 57251	
Disbursements Requiring Board Approval prior to Payment:		
Regular Payable Register – paid 09/26/2018	57233 - 57250	\$46,601.85
Digital West Phone System 50% Deposit – pending 9/26/2018*	57251	\$2 <i>,</i> 684.75
Subtotal:		\$49,286.60
Reoccurring Payments for Board Review (authorized by Resolution 2016-07):		
Payroll Disbursements – PPE 09/15/2018	N/A	\$29,360.04
Payroll Disbursements – Retro Pay 09/07/2018		\$2,535.76
Reoccurring Utility Disbursements – paid 09/12/2018	57226 - 57230	\$2,132.66
Reoccurring Health/Benefits – paid 09/12/2018	57231 - 57232	\$239.30
Subtotal:		\$34,267.76
Grand Total:		\$83,554.36

^{*}Check 57251 for \$2,684.75 is a 50% deposit for the new phone system. The total costs for the purchase is within the General Manager's purchase authority. This purchase order will be covered by the District's costs savings from the election expenditure in the General Fund. The lowest bid came in for a total of \$5,369.48 and the highest bid came in at \$12,007.73.

Other Agency Involvement: n/a

Other Financial Considerations: Amounts are within the authorized Fund level budgets.

Results

The Board's review of cash disbursements is an integral component of the District's system of internal controls and promotes a well governed community.

To: Board of Directors

From: Carey Casciola, Business and Accounting Manager

Subject: Agenda Item #8(C): Review and Approve the Write-Off of Utility Bills and Notice in

The Tribune the Customer Credits over 3 years old

Recommendation

It is recommended that your Board:

- 1. Review and approve the writing-off the unpaid service charges and ACH credits specified in Attachment "A."
- 2. Direct staff to publish a notice as required by Government Code Section 50050 and establish November 30, 2018 as the final date for an individual to claim money relating to customer credits, specified in Attachment "A," that are over 3 years old.

Discussion

Annually, your Board approves collection of delinquent utility bills on property tax bills in accordance with Government Code Section 61115(b). In addition, other accounts that are delinquent could not be placed on property tax bills because the property was sold and the current owners are not responsible for the prior owners' delinquent accounts. Formal approval by your Board is needed to write-off the uncollectible accounts.

The accounts listed in Attachment "A" substantially represent those delinquent accounts that could not be collected on property tax bills this year which total \$1,447.75. Historically, the District has not pursued collection of these delinquent accounts through a collection agency or other means since the annual amounts are relatively insignificant in comparison to annual revenues.

In contrast to other types of operations, the collectability of the District's utility bills are relatively certain since water service is terminated if bills are not paid in a timely manner. Board discussion of

Board of Directors Meeting

utilizing a collection agency for the uncollectible accounts relating to prior owners can be considered although it has not been a past practice of the District.

Last year, staff brought the previous 5 years of unpaid service charges to your Board to catch up for the 2016-17 audit. The current year submittal of uncollectible accounts will bring the District's utility billing records up to date for the annual audit.

Lastly, Attachment "A" indentifies "customer credits," which represent customers who have overpaid their utility bill and have then moved from the property. The District does not have the forwarding address for these customers and their credits remain with the District. Government Code Section 50050 - 50053 establishes requirements for unclaimed money held by a local agency. It states that the money is not the property of the local agency until it has been over 3 years and the local agency has posted a notice in the newspaper of general circulation once a week for the two successive weeks. If the money is not claimed after being noticed, the money becomes property of the District and is moved into revenues. Attachment "A" identifies the closed accounts with customer credits that are past 3 years old for a total of \$308, and which need to be claimed by November 30th. The district, upon board approval, is to notice in the Tribune for two consecutive weeks the accounts that are over 3 years old before claiming these credits as revenue.

Results

Writing off uncollectible customer accounts promotes transparency and helps to ensure that accounting adjustments for audit purposes coincides with Board consideration of delinquent accounts.

Subject: Agenda Item #9(A): Appointment to fill the vacancy on the Board of Directors.

Recommendation

It is recommended that your Board make an appointment to fill the Board vacancy that resulted from the Board resignation that was effective August 29, 2018 for the remainder of the term through the November 2018 election.

Discussion

The recent resignation of Director Angello results in the need for your Board to consider filling the vacancy by appointment for the remainder of Director Angello's term. Director Angello's seat on the Board was set to expire in December since she was not seeking reelection. An appointment to fill the vacancy will therefore be for a limited duration of approximately two months. The outcome of the November election has, however, already been determined since the number of individuals seeking election to the Board equals the number of seats available.

The County Clerk's office has informed the District that in lieu of an election, the San Luis Obispo county Board of Supervisors will make the appointments on Election Day. Those appointments will include incumbent Karen White and new Board member Allene Villa. Director Replogle will also be reappointed for the remainder of the two year term that she is currently serving after the resignation of Director Brunet in June of 2018.

At this time, your Board may appoint Ms. Villa instead of waiting for December for Ms. Villa to take her seat on the Board. If appointed at this time, the Board of Supervisors will still make her appointment for a full four (4) year term beginning in December. Attached is Ms. Villa's email stating her interest in the seat. At this time, there are no other inquires. District staff will update this agenda item with the received inquires as they are recived. The notice attached was posted 15 days prior on September 7th in accordance with Government Code Section 1780.

Other Agency Involvement

The San Luis Obispo County Clerk's office conducts elections for the District and will be processing the appointments for the Board of Supervisors agenda on Election Day.

Appointing an individual to the vacant Board position will help ensure a quorum of the Board of Directors and promotes a well governed community.

NOTICE OF VACANCY on the BOARD OF DIRECTORS for the OCEANO COMMUNITY SERVICES DISTRICT

This notice is posted in accordance with California Government Code Sections 61042 and 1780.

The Oceano Community Services District Board of Directors (Governing Board) includes five elected officials who must reside in the community. The Governing Board currently has a vacancy. This notice is required to be posted for a minimum of 15 days before the Governing Board can make appointments to fill the vacancies.

The Term of Appointment:

The appointee for the vacancy will be appointed for a two (2) month term, through the General Election in November 2018.

Individuals who are interested in seeking an appointment to the Governing Board may wish to inform the District prior to September 26, 2018. A Board of Directors meeting is scheduled to consider the appointment on September 26, 2018 at 5:30 p.m. The meeting will be held at the Board Chambers at 1655 Front Street, Oceano California.

Please contact the District's General Manager at (805) 481-6730 with questions.

Subject: Agenda Item #9(B): Discussion on the Lease with Lucia Mar Unified School District for the

Oceano Community Center and Board Direction as deemed appropriate.

Recommendation

It is recommended that your Board discuss the lease with Lucia Mar Unified School District for the Oceano Community Center and provide Board Direction as Deemed Appropriate.

Discussion

Director Replogle requested that the Board review the terms of the lease agreement with Lucia Mar Unified School District (LMUSD) for the Oceano Community Center, with specific emphasis on the District's ability to utilize the facilities.

In 2008, the District approved a Contract Assignment, Transfer, and Consent agreement with LMUSD, which is included in the agenda addendum due to its size. Prior to 2008, the District's original lease was executed in 2003 with Oceano Community Center Inc, a 501(c)(3) non-profit. That agreement also had subsequent amendments, which together with the original lease, are included in the assignment agreement with LMUSD.

As part of the lease requirements, the LMUSD utilizes the community center for recreation programs. Historically, the District and the San Luis Obispo County Local Agency Formation Commission (LAFCo) have considered the District's recreation powers to be "latent" or dormant. Since latent powers can be subject to LAFCo approval before implementing, the Board may wish to have the Board President correspond with LAFCo on the point that the District's recreation powers are not dormant but, are in fact, active and being implemented through a lease agreement with LMUSD. As shown in the following language of Section 23, the District may also utilize the facilities.

Board of Directors Meeting

23. Lessor's Reservations

Lessee shall make the recreational improvements available to the Oceano Community Services District at a reasonable time

and subject to reasonable rules and regulations during such time when it is not otherwise in use for a bonafied community recreational activity. The Oceano Community Service District shall not be required to pay any fees or charges for the use of the premises up to a maximum of 120 hours per year (10 hours per month). If the Oceano Community Service District's use of the recreational improvements exceeds 120 hours per any calendar year, the Oceano Community Service District shall reimburse Lessee for the pro rata actual costs of operating the recreational improvements used by the District based upon the amount of hours of Oceano Community Service District use in excess of 120 hours compared to the total hours the recreational improvements are in use.

Other Agency Involvement

The County of San Luis Obispo provided significant grant funds for the construction of the Community Center. A California Wildlife, Coastal, and Parkland Conservation Act grant was also provided and associated conditions require that the facilities are utilized for recreation.

the draft General Conditions for Board discussion and approval at a subsequent meeting -

informal bids.

Recommendation

It is recommended that your Board review and discuss the District's draft Standard Construction Contract and the draft General Conditions for Board discussion and approval at a subsequent meeting - informal bids

Discussion

The District's draft construction contract and general conditions are introduced at this time for discussion and review. No formal action to approve the draft construction documents although the Board may provide direction on edits for approval at a subsequent meeting. Introducing the documents for subsequent approval provides time for initial consideration at this time, and additional consideration prior to final approval.

The draft construction contract and general conditions are developed in anticipation of the District's upcoming work on implementing its capital improvement program. The District is currently preparing a water system evaluation through consulting services paid by state grant revenues. Later in the fiscal year, staff will be developing a request for proposals for similar efforts on the wastewater collection system. Once completed, the documents will also be utilized for bidding the emergency generator project.

The draft documents are included in the agenda addendum due to their size. The construction contract and general conditions represent project templates and are relatively unchanged regardless of the project - for those projects bid "informally" pursuant to the public contracts code. Currently, the informal bid limits are \$175,000 but will increase to \$200,000 on January 1, 2019 as a result of recommendations from the California Uniform Construction Cost Accounting Commission and

Board of Directors Meeting

legislation recently signed by the governor. Projects that are formally bid will include similar documents but with changes that primarily involve alternative dispute resolution. The draft documents provide for binding arbitration based on the relatively low value of the projects. For more costly projects, staff and legal counsel do not recommend binding arbitration.

In addition to the construction contract, the following documents are referenced as "contract documents:"

Exhibit A – Notice Inviting Bids.

Exhibit B - Contractor's Bid.

Exhibit C – General Conditions.

Exhibit D – Special Provisions and/or Technical Specifications.

Exhibit E – Payment and Performance Bonds.

Exhibit F – Insurance Requirements.

Exhibit G – Additional Contract Requirements (if applicable).

During the staff presentation, an overview of the construction contract and general conditions will be provided. The purposes for the other exhibits will also be discussed and those documents will be submitted to the Board as they are developed over the course of the next couple Board meetings.

Other Agency Involvement

State and Federal statutory requirements, and those that may be associated with grants, are included in contract documents to help ensure contractor compliance with those requirements.

Financial Considerations

The financial considerations for construction projects are provided when the individual projects are presented to the Board for approval.

Results

Developing standard construction documents promotes administrative efficiencies and a fiscally sound community.

Subject: Agenda Item #9(D): Update on the Five Cities Fire Authority Joint Powers of Authority

Agreement and the County/Cal Fire Strategic Plan efforts, and to provide direction as

deemed appropriate.

Recommendation

It is recommended that your Board review and discuss an update on the Five Cities Fire Authority Joint Powers of Authority Agreement and the County/Cal Fire Strategic Plan efforts, and to provide direction as deemed appropriate.

Discussion

Discussions are ongoing with the city managers for Arroyo Grande and Grover Beach regarding potential amendments to the 2010 Five Cities Fire Authority Joint Powers of Authority Agreement. In addition, on September 20, 2018 a meeting was held with County staff and consultants regarding the development of the special districts component of the County / Cal Fire Strategic Plan.

The attached documents will be utilized in the discussions.
