Enough is enough!!! It is 8:58 p.m. July 4th and Oceano sounds like a war zone. ILLEGAL fireworks are going off all around me. I am stressed as are my immediate neighbors, a disabled Vet with PTSD, our pets and helpless wildlife. ALL fireworks must be banned!!! It will not do any good to allow fireworks on July 4th and Jan 1st!!! People will continue to use fireworks weeks before and weeks after the holidays. Oceano CSD elected officials must eliminate this problem or be voted out of office.

Illegal fireworks start at the end of May every year. Please outlaw all fireworks sales and usage. Thank you.

Can you tell me why the district of Oceano has no fireworks ordinance?

Illegal fireworks, fireworks set off all year round, etc.

There appears to be nothing in place.

I suggest this be put on the next agenda.

“THE FOLLOWING MISSIVE (BELOW THE LINE) IS TO BE READ ALOUD AT THE OCSD MEETING DATED 07/08/20, UNDER ITEM 5 OF THE AGENDA. IT WAS SENT BEFORE 12PM ON 07.08.20, AS REQUIRED PER THE INSTRUCTIONS ON THE AGENDA. READ AT A VERY SLOW CADENCE, IT IS UNDER 2 MINUTES IN LENGTH. WHILE I ATTEMPTED TO SEND THIS TO EVERY BOARD MEMBER, THE EMAIL ADDRESSES ON THE WEBSITE, FOR WHITE AND AUSTIN, ARE NOT EVEN ACTUAL EMAIL ADDRESSES FOR THEM - ANOTHER BROKEN/NON-FUNCTIONING ISSUE WITH THE DISTRICT'S WEBSITE, UNFORTUNATELY”

In an email dated July 1, 2020, from Chloe Hackert ( CHackert@fppc.ca.gov ), in the Enforcement division of the **California Fair Political Practices Commission**, the below-listed case is **STILL** active. It has not been closed nor has it reached resolution.

"**FPPC No. 2018-00458; Linda Austin** is currently an open case. The case has not concluded as of this date [07/01/2020]."

This case pertains to **OCSD Board President Linda Austin's** continual conflict-of-interest votes.

This information **IS** a matter of interest, within the jurisdiction of the District, that is NOT listed on this evening's agenda. It is allowed to be included during this public comment time, per the very instructions on tonight's agenda (item 5).

To reiterate, Board President Linda Austin has been, and continues to be, embroiled in an FPPC case pertaining to her continual conflict-of-interest votes. She owns multiple properties within the district's influence and uses her position to vote in her own best interest. The good citizens and ratepayers of Oceano need these facts to be transparent, and not hidden or minimized, as **Board President Austin** keeps doing.

I thank the OCSD board for the opportunity to share this information, as is allowed, per the instructions before you on this evening's agenda. Thank you.
